

## Anne Noble (nee Heaton)

December 27, 2023

January 3, 1942 – December 27, 2023

It is with broken hearts that we announce the sudden and unexpected passing of Anne Noble (nee Heaton) on December 27, 2023 at Lakeridge Health Bowmanville.

Beloved wife for 20 years to the late Michael Noble, life companion of 33 years to the late Richard Bain. Companion and dear friend to Percy Butler.

Loving mother of Mary and David (Rebecca). Proud grandmother of Katherine, Scott, Ally, Jenny, Caden, Ganon, and great-grandmother (GG) to Abigail.

Anne was born in England on January 3, 1942 and moved to Montreal in 1974 with her late husband Michael and children, and then to Whitby in 1981. After the passing of her husband in 1983, Anne and her life companion Richard designed and built their home in Huntsville, Ontario. After the passing of Richard in 2018, Anne was fortunate enough to find a new community of friends in Wilmot Creek in 2019, where she met her companion and dear friend Percy.

Anne was an avid dart player and a pool shark. She loved to knit and spent a

lot of time in her gardens. Anne was an excellent cook and loved having her family over for dinners.

Anne was a loving and kind soul who touched the lives of many. She will be greatly missed by all.

For all those interested in attending, Anne's celebration of life will be held this Wednesday, January 10th, from 1:30-4:30pm in Wilmot Creek at the Wheelhouse (1 Wheelhouse Dr, Newcastle). In lieu of flowers, memorial donations may be made to Bowmanville Hospital Foundation.

The family would like to extend the utmost gratitude and appreciation to EMS and fire who responded on Christmas Day, and to the doctors and compassionate nurses at Lakeridge Health Bowmanville who cared for Anne and allowed her to pass with her dignity. The family would also like to extend a special thank you to the Gardner family who have assisted us through this difficult time.

“ I am so sorry for your family's loss. I was wondering if Anne Noble was a school psychologist at Iona Catholic Secondary School in Mississauga, Ontario? I went to my visit her today and I was told that she had passed but I am not certain if this is her. I don't remember her face well. She helped me so much in high school when I was struggling with mental illness. May she rest in peace.

*David Mary and Family, our hearts are just broken by the passing of your mum Annie, not only was she our neighbour but a good friend to Mike and I and we will miss her so much. We will miss her sense of humor and quick wit and afternoon breaks on the porch with a glass of wine and me especially Monday nights as she was my bingo buddy. She made such a huge impact on so many lives and was loved by so many, especially us. I am so grateful for the short 3 years she was in our life and we will think of her and your family often.*
