“ I have known Do (my nickname for her) since my days at Molson. Best memory is dancing at a bar with other Molson-ites. She downed her beer, looked at me and said “ that tastes like another”. The at was the them of the night. You will be missed sweet friend.

“ Annemarie was an amazing friend; her sense of humour and quick wit was always one of my favorite things about her, another was that she was always there for friends and family offering a helping hand or a listening ear. I will miss her dearly and I will keep her memory close to the heart. My sincere condolences to the whole family

“ Annemarie had a unique ability to light up a room and make everyone feel valued. She had a great sense of humour, big heart and a “joie de vivre”. It’s hard to imagine our lives without her, but we will always carry the many memories and love in our hearts. Our thoughts are with Rose, the Doty family and friends during this difficult time, and we hope you find comfort in the many lives Anne Marie positively impacted. Catherine & Rob ❤️

“ *Annemarie or Anmy which is what I called her and I had a lot of good times together over the years. Many, many, many celebrations. Her kindness and support was always there for me. She was so strong and so brave right to the end. She said no tears only Happy Thoughts. I will from now on keep Happy Thoughts only for my dear friend Anmy. Rest in peace.*

“ *Annemarie was the best cousin a person could have. We had many fun times together with our families. She was full of fun and laughter. I miss her so much and am sad that we could not do all that we had planned in the future.* □
