

Mr. Anthony "Tony" Maurice Hill

November 17, 1940 - February 12, 2012

Died peacefully early in the morning of February 12, 2012 surrounded by his immediate family, after a brief battle with cancer. He will be most missed by his wife and partner of 45 years Renate, daughter Gina, son-in-law Carlos, sister Erica, and his cat Nicky. Tony grew up in England, and spent much of his youth with family in Germany. He came to Canada in 1968 as chemical engineer, with his wife and newborn daughter. They fell in love with the country and despite postings abroad in the cement industry, mainly in Latin America, Tony was always happy to be in Canada. His guiding principle was compassion for all beings. In his retirement, Tony felt it important to give back, volunteering for diverse causes including Amnesty International Canada, the Eden Community Food Bank, completing tax returns for low-income individuals, teaching adult numeracy, and mentoring immigrant professional engineers. He felt he had a good life. In lieu of flowers, please make a donation to Ian Anderson House: <http://www.ianandersonhouse.com/donate.html> In accordance with his wishes there will be no memorial service

“ Tony was not only the great mentor who gave all the support and the wise advice, which helped me getting my professional engineering licence, and the job I love, but he was also for me like a father, and he was one of my best friends. I will miss Tony a lot.
