“ *Irene and Family*  
*I was sorry to read of Arthur,s death in the Beaver.I have many fond memories of the years Art and I shared at the Town Hall. Art was a friendly and compassionate department head and a valuable member of the management team. I realize that he has been unwell for a considerable time and I'm sure this has been a difficult time to both you and the family.Betty and I want to express our deepest sympathy at your great loss.Our thoughts and prayers are with you at this time.Betty and Ken Needham*
