“ Thinking of the Turner family at this difficult time. Will never forget Art's dedication to having the most meticulously groomed lawn on the street.

“ To Art's family, Heartfelt condolences to you. I met Art through curling. He wasn't part of our group(Y) but often came to play with us. I always hoped he would be put on my sheet as either a teammate or an opponent, as I knew it was going to be a pleasant game with him on the ice. I know he went south during the winter months and I was delighted when he came back to finish the curling season. Art will be missed. Wally Kos.
