“ Mom, my memories of you will be cherished for a lifetime and more. The love we had for you is more than you would have ever known and accepting a life without you here is impossible. Having you as our mom was an honour and we can only hope to be half the woman you were.

*Thank you for loving us as much as you did, thank you for always listening when we needed you and thank you for simply being you.*

*You will be missed everyday.*

*Love you for an eternity*
