“ *My heart and thoughts are with you at this difficult time. I miss Audrey so much!! Audrey was kind, loving, affectionate, feisty with a great sense of humor and she added excitement and heart to Harmony Hills. Audrey had a smile that could light up a room and an aura that will never be forgotten.*

*Sincerely,
Penny*

“ I want to say thank you for being my mom.
Because of you I was given a chance at life.

We certainly shared our ups and downs over
the years but through it all the one thing that
remained constant was how much we loved each other.

I think of you, I love you and I miss you every day.
I love you,
Heidi

“ 71 years ago,Audrey and I started kindergarten. Together we
played,sang,fought, ran like hell and even shared lipsticks! One time
Audrey cut my hair and when I ended up with a brush cut, she got a
fat lip. We were kindred spirits and shared all our dreams.
I would of been miserable without her. Audrey saved my childhood.
She shared her family, home and room with me, I am forever
grateful for that.

Audrey was my best friend.

“ *Thinking of your family as you go through this very difficult time. I'll always remember your mom's kindness and sense of humour. I hope you can find comfort in her love for you and in good memories.*

With all my sympathy,

Debra

“ My Aunt Audrey was my second Mother. She was there for me when we were young and was the rock for me and Danny and the voice of reason and discipline in light of the Burton temper :) that surrounded us. I am truly grateful to her and was glad I could be with her in her final moments here on earth. I know that Danny O'Shea was there to greet her and that she is now with my Mother and Sadie, and the rest of the Burton clan of Gus, Don, Baxter and Gord and that Grandpa and Nanny are at the head of each end of the table for the fish n bruise Friday night dinner. How Great Thou Art.

I would like to thank Doreen for her dedication and time spent with Audrey in the last year or so. You don't know how happy we all were that you were there to share the memories of your youth, and the trials and tribulations you had together. Alzheimer's is an awful disease and your stories and memories shared with her gave her comfort, strength, happiness and most of all a reason to keep on living.

We grieve but we also celebrate. Please join us at this time and help us celebrate the life of Audrey O'Shea!

“ *My mother was a truly amazing woman; nurturing, kind, generous, helpful, smart, caring, understanding, respectful, charming, funny, very familial, guiding, loving, beautiful, supportive, and let us not forget - the best cook EVER.*

I have many wonderful memories thanks to a life spent with, and around my mom. She was there for the good times and the bad, and in my earlier days I had my fair share of bad. I always knew I had her support and she bailed me out of more than a few jackpots. She shared in my life and I in hers.

If not for the woman that my mother was I would not be the man that I am today.

RIP Mom, you will be loved and missed forever.
