“ Barb was a loving and dedicated mother and grandmother. I can't thank her enough for the support and care she provided to us and our sons, Zachary and Cody. I have so many wonderful memories of Christmas's with endless stocking stuffers ... apple pies and pancakes in the shape of letters. May you RIP Barb. With loving memories. Corinne

“ Spent many years working with Barb who had great sense of humour and made work a very pleasant place to be. She will be missed by many, many co-workers and friends. She had the capacity to “go with the flow” and adapt to wherever life led her.
