“ I only knew Barbara for a short time visiting with my dog on Tuesdays but I looked forward to my visits with Barbara. She loved to talk about all the wonderful family pictures surrounding her and was just a lovely woman. Prayers for her family and friends.

“ Barbara was One of a Kind. There is nothing at OLT that Barbara didn't have a hand in one time or another; whenever something was needed, she was there; but also I remember the joy she found in life even as her physical abilities lessened. Whether it was the Friday lunch or an expedition to a figure skating competition, she had FUN! She will always live in my memory. And of course, she loved her family with a passion and was so proud of all of you. My heart goes out to all of you--gretel
