“ I just came across Barb's obituary. I'm so sorry to hear she had passed. Barb and I worked at Bowdens together for 7 years. She sure had her share of troubles but she never let them get in the way of her great sense of humor. So many memories of Don coming to pick her up from work, and he'd always take a moment to say hi to me. She adored that man, and he loved her to bits. It was awesome to see them together. Sometimes he'd bring Emily in to say hi, and I always had a little treat in my desk drawer for her. I've thought of Barb often over the years, and wondered if she was doing well. Happy to see that she got to enjoy many years of retirement !

“ *There are no words that convey feelings & thoughts as you deal with the loss of a loved one. We can only rely on memories to help us deal with the loss & wish that she is resting in peace without pain.*

Till we meet again Barb

“ *Auntie Barb You were a Gem ... One of a Kind. Your baking & your cooking was Mmm Mmm delicious. Your Lemon meringue pie and your butter tarts were the best. I know Uncle Donny would agree.*

I love you

Rest easy Antie Barb
