“ Dear Lisa,

It was a sad day when you left us, but just to let you know, you were not alone when God called you Home.

I hope you've had a good life and have done the things you wanted to do.

I want to thank you for everything you have done for us. I would like to repay the kindness you have extended to me. I would like to give you one last birthday gift...to lie next to love of your life, your husband, Norm.

Tears will be shed, when we say our final goodbyes. We will find comfort with the memories we cherish of you. All of your family and friends will gather together and share those memories and find comfort while we grieve.

The hardest part is letting go, but you will not be forgotten. You will continue to live in all of our hearts.

May the Lord wrap His loving arms around you and bring Peace to your soul.

Rest in Peace, Lisa.

Love, Diane

P.S. I will take good care of Whiskers.
