“ The sister of my best friend Jackie. I talked with you on many occasions, but I will always remember the talks we had while you were waiting for your bloodwork. We solved some problems of the world! Rest now Bev and know you will be missed. Carol Potter

“ Mom, It's the little things, the small, everyday occurrences that we will remember. The laughs, the stories, the smiles. And even though it seems like we will never recover from our loss, it is these very memories that will help us push the pain away and bring back the smiles that will remain in our minds, and in our hearts.

Forever in our Hearts, we miss you dearly

Tommy, Coreena, Adam and Eric.
