“ *Bev was truly an amazing lady. She was the most selfless person I knew who took very good care of my Dad and everyone else that came into her life...She had giggles when telling a story and she had tears (happy ones) when you told her how much she meant to you. I was very fortunate to have been a part of her life and I am going to miss her so very much...I know she is up there in heaven now with the angels but wish she were still here with us...I love you Bev (Mum)... Love Brenda and Les and Tyler.*

“ *The moment Bev entered a room her smile and joy would resonate to all around her. Her love for family was never flourished as she championed all to ensure health and happiness for those she loved. We can all take a page from her selfless journey and keep her candle lit in our hearts as we continue her legacy and enlighten the ones around us with love laughter and eternal strength. Thank you for the smiles... thank you for the love... God speed Bev... your home now looking over your family from Gods arms..:*

“ Karen and Brittany showed the best and more heartwarming sense of family while working together and Target and I can only imagine how that started from Beverly. Sending my prayers to the family in this tough time.

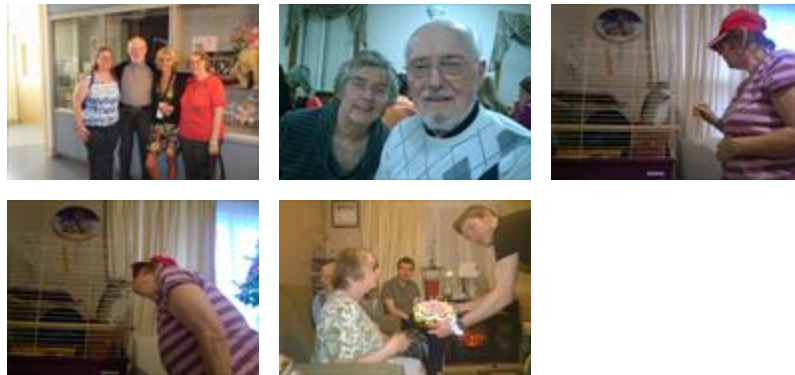

Love.

“ To Art , Karyn and family
My heart goes out to you all. Knowing Bev in two ways gave me an impression that was one of caring, imaginative, fun, intelligent and loyal person . I not only got to know Bev through my eyes but also my kids. Their time with Bev (Nanny) and Karyn was special. Bev's strength and positiveness was always visible.
May you rest in peace❤️

“ Karyn, Dandan and Family,
I am so sorry to hear about Nanny's passing. She was such a giving, caring lady. I remember how wonderful she was with the kids at the daycare. My favourite memories of her were when I would come along for Saturday morning Tim Horton's runs, "garage saleing" and groceries. I really enjoyed it. It was a lot of fun. I know she will be dearly missed and fondly remembered by all who knew her. Thoughts and prayers sent to you all during this significant loss. Love to you too Nanny.

Love Miranda, Kailey and Cole.
