“ *I worked with Blair twice in Toronto, in the mid-90s. Never a dull moment with him around. Today I randomly googled his name and found this sad news. My sympathies to his family, he was a lovely man who was taken too soon.*

“ *My memories are of his love of life and of having fun in Huntsville during the winter riding his snowmobile. He had the most amazing smile and eyes and will be deeply missed by more people than he will ever know.*
