In Loving Memory of Bonnie Cairns

With great sadness, the family of Bonnie Cairns announces her passing on October 30, 2024. We said goodbye to our beloved wife, mother, grandmother, sister, and aunt, leaving behind a legacy of love and cherished memories.

Bonnie's love for her family was boundless. She cherished every moment spent with her loved ones and took great joy in sharing stories about her granddaughter, Emma, whom she adored and was so proud of. An avid reader and passionate baker, Bonnie loved making her mother's cherished Chelsea buns every Christmas. She also had a special place in her heart for her grand-dog, Henry, who she loved to spoil.

Bonnie passed quietly and peacefully in her home on Wednesday morning. She will be deeply missed by her devoted husband, Frank; her loving daughter, Tracy and son-in-law Paul; her beloved granddaughter, Emma; and her siblings—brother Rick, sisters-in-law Ellen, Sandra, and Margaret—as well as her cherished nieces and nephews. She is predeceased by her parents, Thelma and Albert; siblings Patricia and John, sister-in-law, Gail and brothers-in-law, Raymond and Jim.

In accordance with Bonnie's wishes, there will not be a formal service at this time. Instead, an intimate celebration of her life will be held at a later date. In lieu of flowers, donations may be made in Bonnie's name to Michael Garron Hospital.

Bonnie's spirit will forever remain in our hearts, and her love will continue to inspire us every day.

“ When I thinking Aunt Bonnie, I always think of the warmth she shared at all of our family gatherings. And then there is the food! There are a few items that will always remind me of her. Ham dinners and her special sauce started the New Year off the right foot. Aunt Bonnie carried on so many of the Cairns holiday baking traditions and then added a few of her own! When Aunt Bonnie walked through the door, her arms were always filled with deliciousness! We relied on her organizational skills as too many members of the Cairns family and all of those opinions meant little for accomplished! Thank goodness she was there to keep us on track!

I will miss you very, much Aunt Bonnie!❤️

*How sad we were to hear of Bonnie's passing. I grew up 5 doors south of her house at 194 Alton Avenue. We were around the same age. The Trafford family were the first ones on Alton Avenue to have a coloured TV and we would go up there on Sunday nights and watch the Ed Sullivan Show. Albert was the first person to own a brand new 1959 car which he would take us all down to an ice cream store on Queen Street and bought us Ice cream and Butter milk for himself. Yuk?? The family were also very good at making me very welcome at their home every Friday night and we would order eggrolls. The entire family always treated me extremely well. The last time I saw Bonnie was at Swiss chelate when she told me that Pat has passed. We so bad about your loss over the past few years, and we are thinking of the entire family at this time.”

Dear Frank, Tracy, Paul and Emma, as well as all of Bonnie's family. My deepest condolences on the passing of Bonnie. I only just heard about this, and I'm so sorry for you all. I lived next door from her on Springdale all of my life and she was a lovely, kind and generous person. Always a kind word, always happy to talk about the great accomplishments of Tracy and then Emma - She was so proud of you both. She was a wonderful neighbour. Tony and my Father also send their deepest sympathies. I'm so sorry for you loss and she will be missed. Sincerely, Helen Zias
