“ *I have a space in my heart with the loss of Brandon. I was fortunate to be his teacher at St. Mary's Catholic Secondary School for several years. Brandon had a sense of humour and would get us all laughing. He was not the fastest walker but loved going out for walks. He loved his pets and anything to do with wrestling. Every day when leaving on the bus he would wave a Brandon special salute that we can not explain in public but left us turning our backs and laughing. Brandon will be sorely missed but all who knew and worked with him in class or throughout the hallways!*

“ I was able to meet Brandon at his grandparents house when he was hanging out with his cousin Alex. It was wonderful to see the two laugh together and Brandon's smile was contagious.

It was also great to hear about Brandon's accomplishments at Behaviour Innovations and the great things we was able to experience.

I know Brandon was a shining light for all who were lucky enough to meet him and his memory was carry on into the future.

My condolences are offered to the family and I know the strength of your family and friends may be supportive for all.
