

## Mrs. Brenda Lee Cousineau (nee McCaul)

September 7, 2014

September 7, 2014. Brenda is now resting in the arms of an angel. Survived by husband Reg Cousineau of Puslinch, son Kelly Bowcott (Zandra Razack) of North Bay, daughter Erika (Marko Ivancicevic) of Pickering. Will be sadly missed by her four grandsons, who became the jewels of her life: Judah and Jackson McCaul, Zander and Logan Ivancicevic. Remembered by her extended family and many friends. Brenda was born in East York (Toronto) on June 16, 1957. As a teenager, she shared many happy moments with a large circle of friends in the Beaches part of Toronto. She had a keen sense of learning and attended the North Bay chapter of International Training in Communication, when she lived there. She loved to travel on cruise ships with Reg and see new horizons. She had wonderful sense of humour and touched young and old alike with her authenticity, kindness and generosity. As per her requests, there was no memorial service following cremation. Scattering of her ashes was done privately. Donations may be made to the Mental Health Association on her behalf.

“ *Brenda was a beautiful, kind, sweet soul who showed me the meaning of true pure friendship. Brenda stuck by me when I was fighting a severe alcohol problem. Never criticizing, just being there. I will always have a spot in my heart for the beautiful kind soul that was Brenda*
