

Brenda Westall

December 2, 2022

Brenda Westall passed suddenly 4 weeks shy of her 74th birthday. A loving mother devoted grandmother to her last breath. Loved and admired by all she knew. No words can truly sum up how incredible a woman she was. Reunited at last with her true love Ed and her sisters and brothers.

“ Aunt Brenda you were my favorite Aunt! For so many reasons! ❤️😊 You definitely Brought flavour to our family ❤️ You will be fondly remembered and missed by many! 😭. Stay proud, you raised 2 fine sons. And you went above and beyond incredible job with Rihanna. And I know they, and their families all suffer from your loss. We ALL sadly miss you. I just pray you can now be at peace, and find comfort with those you loss. God speed, God Bless. Love YOU B. xoxo ❤️❤️

“ *Mrs Westall, I don't even know where to begin. You (and your husband) exuded such love, acceptance and welcomed me and all of Mike's friends day or night.*

You were always there for private talks, a shoulder when I was a teenager and your home was often a sanctuary for me.

I can't ever thank you enough for all you've done. I've thanked you many times in the past but it never seemed enough.

You'll be with the love of your life now, but so many will feel a hole in their heart that you're no longer with us.

Rest in Peace 💔
