“ Our hearts go out to the entire family. Each time we got to see Brent he always had a smile on his face and a story to share. Sharing his love of clocks was all Eric needed to be drawn in as well. Seeing Brent with Michelle and his love for the kids was a beautiful thing and a true reflection of a man that loved life and his family. RIP

“ My condolences to the entire family. Brent was a great guy and will be missed by many. We never did hit it big on the lotto but it was fun. I'll keep the dream going for our families.

Brent until we meet again.

“ Brent, "Mrmadam", we first met several years ago when you came into my shop to purchase a bear carving for your lovely wife. It was then I could tell that you were a man of incredible kindness, integrity and deep love for your family. I always enjoyed your visits and our conversations. You will always be in my heart, thoughts and prayers. One consolation is that I truly hope you are now at peace and pain free. Love Reza

“ Brent you made such a big impact in such a short time. You treated my daughter your " leetle frend" like one of your own. She will forever yell " caw caw" at the birds. Next time she does it I will shed a little tear. I am extremely happy we got to meet and experience your kindness.

RIP Brent. You will be missed by many.
