“ *Death?*

*No, the journey doesn't end here. Death is just a path, one that we all must take. The grey rain-curtain of this world rolls back, and all turns to silver glass, and then you see it. White shores and beyond. A far green land under a swift sunrise.*

*My sincerest condolences Mr. & Mrs. Mason. I can offer you no words of comfort. I'm not a man of great faith, but I pray to God you can find some comfort and peace in your deepest sorrow and darkest days.*

*Shannon friend, always and forever, through thick and thin. I love you.*

“ *Brent was a fun fixture on NRS. Some of Brent's antics caused laughter on our unit. He was a gentle man who touched the lives of those who cared for him. He will be missed. Our condolences and prayers go out to the family. Love some of the NRS staff.*
