“ *Fond memories of Brian who was my next door neighbor for a couple of years on Poplar rd. in guildwood . He was such a nice guy who also had an amazing voice . Spent many Friday and Saturday nights partying with the boys while they were playing in the basement . Great memories.*

*Neighbor, high school buddy. Birthdays 20 days apart. I litterly found out today. We never did music together, we got a long as friends.. Scarborough to Philly visit, too little time spent as buddies. He traveled, but I never wanted to miss a burger with my buddy or a club and show. Got my my Toronto Star route, we were 12..... miss you man, respectively carry on.*

“ I met him during 2 winters in Dubai / UAE, we became friends. We took the whole band out to the dessert and we invited them for a swim in our compound. The Stumblin Blind in Dubai was with a Joan and a Jim and 2 more people, but once of a sudden the REAL Stumblin Blind came over from Bahrain to give a massif big show, so great to see !! I'll remember him as a great musician
