Brian Francis McNeice

It is with deep sadness that we announce the passing of Brian Francis McNeice, who peacefully left us on June 1, 2025, at the age of 76 after a courageous and long battle with cancer. Brian was a beloved husband, uncle, cousin, and friend, whose warm presence will be deeply missed by all who knew him.

Born to Edward Francis McNeice and Marjorie McCart, Brian was preceded in death by both his parents, as well as his brother William (Marcia) and sister Marian (Mark). He is survived by his devoted spouse of 29 years, Rose Mary Silveira, who was his unwavering partner throughout his life.

Brian's legacy continues through his nieces and nephews: Karen Moody, Brian Moody, Cally McNeice, and Jason McNeice. He will be remembered by his many cousins, friends, and neighbors. Brian was a veteran and will be fondly remembered by his comrades of The Royal Canadian Legion Branch 375; all of whom were fortunate to experience his kindness, generosity, and support.

In accordance with his wishes, no funeral or celebration of life will be held. Brian was cremated, and his family finds comfort in knowing he is at peace.

His spirit will live on in the hearts of those who loved him.

Brian's passing leaves a void that will not easily be filled, but we will continue to remember him with love, gratitude, and admiration. He will be deeply missed by all who were fortunate enough to know him.

Rest in peace, Brian. You will never be forgotten.

“ Not sure what to say but here it goes. uncle Brian I was named after you. I am glad that I got to spend so much time with you when I was a young kid. You are an awesome uncle. You were funny. You were a soldier you had great stories and you told it how it was I love that about you when I got older. I developed a bit of a problem I talk to you about it and you were able to share some words of wisdom with me which helped more than you ever knew you didn't judge me or try to tell me what to do you just offered advice that helped me get out of the dark place. You're amazing man. Thank you for everything you've ever done. I am proud to share the name with you. I will keep that name going long and strong. Rest in peace uncle Brian. Lots of love till we meet again. Enjoy your time with all the special people that we lost on the way.

“ *Uncle Brian was quite the character, he made it his mission (I believe) to help those in need, but never wanted anything in return. Brian always found time to lend a hand, he helped my mom and dad (his brother Bill) with many projects around the house and filled our hearts with laughter telling stories of his adventures (some rated R) but that didn't stop him, he was true to himself and never tried to be otherwise. Uncle Brian was not impressed by wealth or status, he would be impressed if could use hand tools safely, change a tire, cook a meal and if you were genuinely a kind person (he was a very good judge of character) and I never knew him to waste time or mince words with anyone he didn't respect. My Uncle Brian was one of the last of his kind, I'm not sure they make men like him anymore, I do know that he will be missed by all of us who knew him ❤️ RIP Uncle Brian.*

“ *Rest in Peace dear Brian. It was a blessing to have known you and Rose, back in the days when I was your mother Marjorie's neighbour. You were always so good to Karen and Brian. Your mother doted on you, and joyfully looked forward to your visits with her. Thank you for your kindness to my daughter Jessica too, who was a constant at Margorie's apartment, especially when little Brian and Karen were there for the weekends. It has been ages since I've seen you and Rose but you are forever in my heart, right beside your mother Marjorie, whom I love, as love all of your family, and always will. May God comfort and strengthen all your family and loved ones in this their time of grief. And May their abundant good memories of you, keep you forever alive in their hearts.*
