“ I am so very sorry to hear about the passing Brian,I met Brian through work. I spoke to him at least 2x/week and he always, always made me laugh. He is the only customer that I kept in contact with after I left my job. If either of us were having a bad day we could make each other feel better by the end of the conversation.

You were a wonderful man and I was better for knowing you. Rest in Peace you will be missed so very much
