Brian Ernest Timms - January 15, 1951 to May 31, 2025

It is with sadness that the family announces Brian's passing on May 31, 2025. He passed peacefully with family by his side, after a short battle with cancer. He leaves his brother John (Liz), sisters Arlene and Nancy and many nieces, nephews, cousins and friends.

Brian fought his personal demons, but anyone who knew him would know, as his niece, Denise put it ... "he had a kind spirit, a good heart and a gentle soul". Kids and dogs knew his heart and took to him instantly. He made friends easily with his easy-going ways.

Brian worked as a master cabinet maker, creating and re-finishing many beautiful pieces, often for friends and family. He was very proud of his work, especially when bringing old pieces back to life.

He loved classic rock, Led Zeppelin, Pink Floyd, Aerosmith among his favourites, and took in concerts when he could.

We will cherish the memories of him in his youth, with our gang, camping at "the lot" in summer... the campfires, the music and the laughter and many Saturday nights at the Running Pump.

Most recently, Brian enjoyed his time with his good friends at his favourite pub.

At Brian's request, there will not be a funeral service, but a celebration of his life will be held at a later date.

Our special thank you to the staff of the palliative care unit at Scarborough General Hospital. You are angels in scrubs. Our highest praise and gratitude to Dr. Abdulhusein for his advice, support and kindness. You are a very special man.

You are healed and strong again, Brian. Go with our angels. You will be missed.
