“ *Missing a friend who was always willing to lend a hand - and always had the better hand in cribbage. Bruce, I miss you and your stories. You were patient with me and my ridiculously busy schedule. And I will always remember that day many years ago - maybe the third year I was at the coop - when I finally broke down in a heat wave and bought a fan to put in the ceiling in the dormer bedroom. And you were there to help. And it took so much longer than either of us expected cause of a wiring problem. And I swear you lost three lbs in sweat working with that blasted light in the heat of the afternoon. You did so much for people here at the bain. You cared a lot for this place and it showed in all the work you did to make this place more beautiful. May your light shine fully now!*

“ *Bruce was my cousin, and I remember in the 1970's he stayed with us one summer. After he moved to either Liverpool or Lunenburg, I can't remember. He seemed very much a free spirit and so were his friends, and he seemed to meet a lot of people. I didn't really see much of him before or after that. I am sorry for your loss and am sure you will miss him. He didn't change his looks much, except older looking. Janet Feener in Bridgewater Nova Scotia.*

“ *Bruce was a very kind man who helped everyone. I will forever be grateful when he opened his home to me for a few months when I needed to get back on track. I will always remember his kind and gentle soul. RIP Bruce.*

“ *My fondest memory of Bruce is from many years ago. David & Andrea were both 5 years old and Colleen was one. Bruce went out to get something (probably beer for him & Richard) on Xmas eve and came home with a very skinny & very drunk Santa Claus. I can still remember the looks on the children's faces and it makes me laugh!*

*He was a good, kind man and I hope the reunion with his Mom, Dad & brother Rick has been stupendous.*

*Love as always, Lorna Harding*

“ Bruce's home was always welcome to all. And you never over stayed that welcome. Even before he and his son David let me stay with them for a few months while I needed to straighten my life out. I always felt like it was a second home. I would drop by looking for my friend Dave and even when he wasn't home I would still be welcomed inside to hang out, watch sports and shoot the breeze. Bruce would often tell me jokes that were for the most part completely over my head. He always seemed to get incredible kicks out of that. I always found him to be quite zen like. He was always laid back, going through life at his own pace. A quality I admire. Peace be with you Bruce.

“ To all of Bruce's family - I have fond memories of him. One in particular of him, waiting patiently (and sometimes, not so patiently LOL) for me to get my clothes out of the dryer and for me to get out of the laundromat, so he could close up and go home! RIP, Bruce Sympathies at this time to all of you...he will be missed, a mainstay of the Coop! Nat
