

Candice "Candy" Piper

February 6, 2021

After a long courageous battle with cancer, with her family by her side, Candy passed away peacefully in her home on February 6th, 2021. Loving wife of the late Trevor Piper. Daughter of the late Delores Mae Russell. She is survived by her daughter Jamie, son-in-law Blake and cherished granddaughter Olivia. She also leaves behind her sweet dog, Charlie. She will be missed by many friends and colleagues. The family would like to express our extreme gratitude and appreciation to the many who rallied around her in these last few years/months: Donna & Jim (and the group of ladies in her building), her PSW Irene and her dog walker Karina. A special thanks to palliative care doctor Dr. Kassirer and Nurse Cassondra Kahrs for their compassionate care and support.

Candice (Candy) was born in Detroit Michigan on July 27th, 1966. She lived the majority of her childhood in the United States and moved to Canada in her early adulthood. Candy enjoyed listening to music, dancing, painting, drinking copious amounts of coffee and the New England Patriots. Candy's greatest wish was that when Covid is over, we'd have a big outdoor celebration of her life, enjoying cold beers and reminiscing about all the fun times and memories we shared with her. Until then, stay safe and be kind.

Rest Peacefully Mama

“ *I can't begin to name all the memories I have with my mum. One of the most unforgettable was the moment I saw her hold her sweet granddaughter Olivia for the first time. It was pure joy and love at first sight.*
