

## Carmen Silvera

February 19, 2023

Always loved, Never forgotten, Forever missed...

It is with great sadness that we announce the passing of our beloved Mother Carmen Silvera (Pelusa) on February 19, 2023 at home, surrounded by her loving family, at the age of 67 years. Carmen was the beloved wife of predeceased Alfredo Silvera with whom she spent 36 wonderful years creating a life for themselves and their family. Carmen was the cherished mother of Claudio (Lorena) and Cindy (Jermaine). She will forever be the devoted Grandmother (Tata) of Alexia, Alejandra, and Selena. All of whom will carry on her memory. Carmen will be deeply missed by her family, friends and all whose lives she has touched.

Carmen was a remarkable lady. She was truly the cornerstone of the family. She was well loved by all and known for her kindness and unexplainable way of loving ♡ She made an indelible impression and enhanced the lives of all who were fortunate to cross her path by chance or by choice.

She will be remembered for her generosity and for being a gracious hostess, who always had a smile, a delicious plate of food and deck of conga cards ready to entertain friends and families who came to visit.

We grieve her loss but take comfort she's at peace and is surrounded by her

parents, husband and siblings.

Our mother has been welcomed into Heaven with arms wide open, but she will certainly leave an empty space in the hearts of those left here without her.

Mommy in life, we loved you dearly, in death we love you still.  
In our hearts you hold a place, no one else will ever fill.

Te queremos mucho

“ *Titi ... I will miss you every day! Your support to our family will be something I will always treasure and be thankful for. Just know that I will support your family now ... just as you have done for me and my family. I know my mom was calling you and she just wanted to take of you ... heaven got a new angel. Always in heart, always in my prayer and forever in my thoughts! I love you Tia Pelu ... Always have and always will. You will be missed so dearly. Un beso grande ... Carmen*
