

Mrs. Carmen Marie Del West

November 21, 2016

It is with great sadness that I announce the passing of my beautiful wife Carmen.

She was the most amazing wife a man could ask for.

Everywhere she went her spirit lit it up.

Carmen lived her life to the fullest and was the strongest person I ever met.

She fought for a very long time and never gave up.

She was so very kind and generous.

She touched the hearts of everyone who ever met her.

My angel and shining light has been taken too soon.

C'est avec une grande tristesse que je vous annonce le décès de ma merveilleuse épouse Carmen.

Elle représentait l'être le plus extraordinaire qu'un homme puisse désirer.

Peu importe où elle se trouvait, elle rayonnait; elle ne passait pas inaperçue.

Carmen a vécu pleinement sa vie et était la personne la plus forte que j'ai jamais rencontrée.

Elle a mené un long combat sans jamais abandonner.

Elle était d'une générosité et d'une gentillesse sans limite.

Elle touchait le coeur de tous ceux qui croisaient sa route.

Mon ange et mon rayon de soleil m'a été enlevé trop tôt.

“ Very sad to hear. Carmen was so full of life. I remember her as a caring, sweet person who's heart was bigger than her. She used to tell me how she thought birds were so cute. Birds will now always remind me of Carmen.

You're an amazing human, Todd, she was clearly always in good hands. Your loss is ours as well.

“ *We're very sad and will miss Carmen. We'll always remember her as a wonderful person and friend, full of piss and vinegar. True grit and beauty. We can only imagine your sadness, Todd, but hope you can follow Carmen's example of courage and strength.*

PS: Many people I've told that have met Carmen also told me how well they thought of her and the memory of her stood out. My brother David remembers talking to Carm for about an hour on "Game Day" and passes on his condolences. Everyone remembers Carmen and is sad for your loss.

“ Midge and I were so sorry to hear of the passing of our wonderful daughter in law Carmen.

We were lucky enough to be able to visit in September.

As Todd said she was one tough girl.

We have many fond memories of times spent together in Vegas, on the west coast and at Ashley's wedding etc.

I could not believe how tough she really was. While on the west coast we went cave exploring. We went underground over rocks and through some tight spaces and Carm handled it like a trooper.

We also want to say hoy proud we are of Todd. He has been a rock all these years. I want him for a nurse if the need arises.

Carm will leave a big hole in our hearts that will be hard to fill.

Love you son.

“ Todd,

I will always remember my childhood with you and Carm in it! From all of our camping trips to visiting you guys (or vice versa you visiting us) pretty much every Christmas Eve! You are both considered family to us! I will never forget Carmen's love for life and crazy, outgoing, one of a kind personality. She had this way of making every gathering feel comfortable, like everyone belonged, and also got people to loosen up come out of their shell and have fun! I don't think I have ever not seen a smile on her face, and that's hard to find these days, someone who is genuine and forever positive. She truly is one of a kind and even though she isn't with us physically anymore, she will live forever in our hearts, as she has instilled a little peace of herself in us. She will be greatly missed but all we can hope is that she is now pain free and at peace, watching over us, guiding us, telling us to keep that smile on our faces! My love and thoughts are with you and the family!

*Lots of love,

“ I knew Carmen for as long as I can remember. Camping with her & Todd and Ashley. Todd & Carm got married on my birthday in 2010 and it was an amazing celebration, they even have me a beautiful heart bracelet as a gift on their day. I wore that bracelet at my wedding which I was so happy they could come! I was so happy that Carmen also got to meet my daughter before she passed. You are truly missed Carmen but may you suffer no more. All our love to you, Todd.

Rest In Paradise beautiful angel

You will be d

“ Dear Todd, our thoughts and prayers are with you at this very sad time. Carmen had a zest for life and proved that throughout her battle with cancer, never losing her sense of humour. She is an inspiration to all of us! We will miss her very much but she will always be in our hearts and memories. Rest in paradise Roxy Roller.

*Lots of love, Barb, Chris and family.

“ Carm, you were the strongest, bravest woman that I have known. I am grateful to have known you and to call you my stepmother. I have known you since I was 9 years old and you helped me become the woman I am today and I am grateful for all of your help through the years and always for your support and love as I have gone through my life.

I am so happy to have given you the chance to become a grandmother, a mamie, to my babies, Corbin (4 years old) and Skye (9 months). I am so happy that you were able to meet Skye and see how much Corbin has grown. They love you very much, Mamie, and will always miss you. I am glad Corbin was able to get to know you and have memories with you.

You will always be loved and never forgotten,

Love Ash, Dave, Corbin, and Skye
