Many memories fill me with Carol at school and playing after-school with all the Canlish Road gang. We lived on the same street for years. Carol was fun, loved to her her laughing at something silly and will never forget what a beautiful girl she was. I am so sorry to hear this terrible news and to know Carol likely didn't have a peaceful death. Heartfelt condolences to her family, may she rest in peace. Kimberly Graham.

My sister-in-law Carol, she will be missed by all who were a part of her life. I was always in awe of her youthful beauty that never changed in all the years from when I met her as a young girl to blossoming into a mother and then a grandmother. Beautiful inside and out. She will be missed.
