She has now been reunited with her husband who passed early last year. Always & Forever loved.

An Angel Flies:

Strength and wisdom,  
You showed us all both.  
Heartache and love,  
You left us with both.

The beauty of your soul,  
Not meant for this world.  
The strength you provide,  
Never faltered in life.

The strength of your words,

Reassuring and sound.  
The beauty of your love,  
Resilient and undying even in the end.

Every word you spoke,  
Honest and true.  
Every smile you gave,  
Warm and brave.

You are more than just a person,  
Mother, grandmother & great-grandmother.  
You are our angel,  
Now free to fly and spread your wings.

“ I remember the day Amelia was born you were so proud of me and so happy to see and hold your first born granddaughters child, your first great-granddaughter. I remember the smile, you did so much for me from helping us get ready for the arrival of her to being my sanity when I thought I lost my way. I love you always and forever grandma. You are my guiding light and my angel. Love you for everything you were and still always will be to us.
