“ Cathy has always been special to us since we met her in 1969 . She was a special part of our family and we loved visiting her when we could , and talking with her on the phone. She always made us feel special when we were with her.In 1969 we visited with our five children and she served a wonderful supper for us all. Our love and prayer are with you Gordon, Ian and Joanne God Bless you and your children at this sad time

“ Many lovely memories of my dear Aunty Cathy over the years. Aunty Cathy always found a way to make me smile and laugh. A wonderful lady beyond description, no wonder my Dad's cousin Gordon fell in love with her and shared his life with her.

“ Dear Gord, Ian and Joanne, I will always remember times spent at your Mom and Dad's home. I loved going there and spending time with all of you. The one memory that sticks out for me, I see having supper one night in their kitchen a long time ago. That was the only time I ever remember eating Brussel sprouts 😊. Your Mom was so special and a sweet lady. Although I haven't seen her in a long time, She will be dearly missed. I love you all and will keep you in my prayers xoxo
