“ I remember Cecelia from the 1960's when she came to the White Cross Centre. Always friendly, always helpful. I lost touch when I moved to other volunteer tasks. I saw her in the last year at a local restaurant (Dine's). She came in with a friend & the staff treated her like a long lost friend. It was great to see. She was a good woman.

“ Cecilia was a regular attender of our Thursday Retirees fellowship and I know she loved to attend. In addition, Cecilia was part of the one-day bus trips we took twice a year. I will always remember her concern for others as she often spoke to me about praying for a friend or relative who was not well. I would love to know when the graveside service is being held and if it is open to those outside the family, I would appreciate the opportunity to attend. Our Retirees fellowship will be remembering the family in our prayers.
