August 29, 2020

Cie died in her sleep Aug. 29th. We lost a Sister, Daughter, Aunt and Friend. She left us too soon and will be greatly missed by those who knew her. A quiet and private memorial will be held later to scatter her ashes as per her wishes.

# Tribute Wall

“ *Can't believe you are gone. You are missed. We'll see each other again on the other side. Love Always.* ”
