*I am sorry to hear for your loss. Charlie was a great person. I knew him since 1980. I am glad I had a chance to see him at sunnybrooke veterens hospital in June of this year. Almost 100 wow he was 98 in nov i believe. Anyway again I am sorry just wish I could have said goodbye. Was he buried or was he cremated? I would like to put some flowers sometime when I am in Toronto. That is if he was buried. Anyway take care. If this is not the right Charles Dobson I am sorry for your loss all the same.*
