With heavy hearts we celebrate the life of Charlie, and will always remember his generous spirit that has been shared with so many neighbours, friends, and family. Leaving behind Carol, his wife of 46 years, Charlie also loved many other family members beyond measure, notably his nephew Brian and Lindsay.

Charlie was happiest when doing things for others. Whether renting vans to take his nephew and friends riding dirt bikes out of town for the day, caring for numerous neighbours in need over many years, or preparing his breakfast specialities for Carol off the 'Charlie Menu', Charlie was always about giving.

Charlie was a dedicated family man, spending countless hours with those he loved. His career was also characterized by old-school professionalism and commitment. Charlie's character and personality were memorable for all who knew him – whether dancing, golfing, playing cards or charades, he was the man in the moment.

There are many friends, family, and professionals who helped along the way, and we are grateful to everyone. We are thankful for years of care from Dr's

Matthew Binnie and Rebecca Colman, Leslie Randall RN, and the entire care team. Although Charlie has passed, he will always be remembered for what he brought to us.

A celebration of Charlie's life will take place on Saturday May 25, at 1pm, at Brunswick Bierworks, 25 Curity Ave, Toronto.

If desired, in lieu of flowers, donations may be given to UHN Foundation to support the Interstitial Lung Disease Research (uhnfoundation.ca/tribute; 416-603-5300), or the charity of your choice.
