“ Stephanie and Jansen Sending all our Love and Big Hugs. Your Momma was a wonderful lady who always had a kind word and a smile for everyone she met.

I remember our dog Karma would be so excited to see her walking out of the complex even from a distance she would start whining. She just loved your Mom so much. Your Mom and I would laugh because of her reaction. They say animals are great judges of people and I would agree. One very SPECIAL LADY ❤️🥺

“ Just wanted to say without Steph, her mom and dad growing up I don't think I would have had as much fun and it's very doubtful I would have had as many friends. Her mom was always accepting and kind and caring towards me. I was a loud and boisterous kid. So I appreciated every minute. Rest In Peace Cheryl.

“ My sincere condolences to Steph and JB and everyone who loved Cheryl. Steph, I was lucky enough to meet your mom on various occasions and what always stood out to me was her fun sense of humour and wit. It's obvious that you are a reflection of her personality and beauty - you are a spitting image of her. I love seeing all the photos of her when she was young - so many beautiful memories. I remember our moms chatting at your baby shower and getting along so well - I hope they are having a tea together now talking about their grand-babies. Your mom is so proud of you and JB and will be watching out for you both. Love you always. Kelly
