“ *Cindy, I can't believe you are gone. Too soon, too young. I knew Cindy in the 70's, she was one of the nicest people I had ever met. Wanted to connect after all these years and this is what I found. My heart goes out to her family and Tony whom I also knew and know that he loved Cindy very much.*

“ Cindy I will never forget you. You were the true meaning of friendship. I will miss you so much. We met New Year's Eve 1992 and so many wonderful and cherished memories were made. I can't imagine life without your laughter. You were my friend roommate and confidant. People like you don't come around every day. I hope to see you again once sweet day my love? Until then...

The first time I met Cindy was in the mid 80's. I came to work where she was the receptionist. Everyone she passed to me on the phone called me TaNish, because of the way she would tell them that she was passing them on ' to Nish'. We became fast friends. Spent almost every weekend together for many many years. We'd dance all weekend long. She introduced me to many of her friends many of which became mine. I can't believe she's passed. 🥺🥺 My heart is heavy.

I don't remember a time when Cindy and I weren't friends, although when we first met in school we were rivals because we both had a crush on the same teacher! Cindy loved to dance, loved her friends, and to play cards. We once sang Farewell to Nova Scotia at the top of our lungs at St. Anne's Lookout and I hope to bring her home to Cape Breton and sing for her one more time. Her passing has left me heart-broken but my memories of her will always make me smile. Goodbye sis!!! XOXO

We've laughed till we cried. Danced till we dropped. Waded in fountains till almost arrested! Sang to the amusement of all....41 years of cherished memories! Rocky horror and Bruce Lee movies will always be ours and Linda's. You will remain in my heart, always! Love ya Katsky
