I miss everyone dad and I am struggling with the lost of
our whole family, but I cant fix it dad.*

*The last time I saw you, I said goodbye dad, you said

*I walked away and I never looked back at you, because
I knew it was goodbye.*

I love you guys, and I wish things were different.*

many may ask in this family why i didnt say bye to grandma respectfully as you may think i should have in your respectuallly manner.. the truth is i do that everyday...augest 22nd i poor 1 beer out.. we were best friends..we still are...nobody in the family at a current time stood up for me as she theeated to come down to my school and punch out everybody that messed with me...lol..and she wasnt joking. she would have..lol

well...now days im the professional street fighter and if you had an issue with her....bring a pistol.. that way you would have a chance

R.I.P grandma/grandpa...love always - jay andrew edwards, this isnt business this is family.

“ *Dad.... I am very proud to have had you as a Father.I am going to miss you very much. I am so glad I got the chance to say goodbye to you, eventhough you said it was not goodbye. You gave me all you could growing up and did the best you could to raise me and be there for me. You always stood by me, and I know you loved me very much. I will never forget you, and hope you are with Mom now and loving her as much as she loved you. I love you dad, and thank you for doing your best for me. Love Melanie xo*
