

Mr. Clayton James Parry

March 11, 2018

After a courageous battle with kidney cancer, Clayton died peacefully at home on March 11, 2018 in the loving arms of close family members.

His journey was marked with a fervent desire to advance the use of personalized and combination cancer treatment strategies under the incomparable care of Dr. Georg Bjarnason and his superb nursing team at Odette Cancer Centre of Sunnybrook Hospital.

The family also wishes to acknowledge the dedicated and compassionate care Clayton received by the palliative care teams at Sunnybrook Hospital and Temmy Latner Centre.

In accordance with Clayton's wishes, there will be no funeral service.

However, family and friends are encouraged to enjoy an activity that reminds you of Clayton. Whether that is going for a run on a Sunday morning, heading out for a round of golf on a sunny afternoon, taking a drive to 7-11 for a slurpee run, grabbing chicken wings and a pint at your local pub, going for a walk through the park, fishing at your cottage, heading to a hockey or baseball game to cheer on the Maple Leafs or Blue Jays, or just grabbing a coffee at Starbucks with friends, please do it with Clayton in mind.

In lieu of flowers, donations to Kidney Cancer Canada
(kidneycancer canada.ca) in Clayton's memory would be greatly appreciated.

“ Clay,

It has been a year since you left and I still think of you every day. The day I randomly sat down beside you at Ottawa U was the luckiest day of my life. You were always there for me over the years and even though you are no longer on this earth, I still hear your awesome laugh and it still makes me smile.

“ *My dearest Clay, my best friend, partner, first love and husband.*

Our lives were somehow intertwined from the start and we never looked back.

Through the trials of young adulthood, long distance careers, raising our beautiful daughter together, losing loved ones, and your fierce battle with cancer, we never lost sight of our love and connection with each other. In fact, it only cemented us into a deep, loving and permanent partnership during our twenty-three beautiful years together.

Chelsea and I talk about you all the time, and sometimes the tears come because we miss you so much, but mostly it's with joy and laughter! I can still picture that beautiful, friendly smile of yours that could instantly light up a room.

You will always be in my heart as I move forward in life. You will never be forgotten or loved less. Even though you're not physically here with me now, I still feel your love like a gentle comforting hug. Thank you for that gift.

With all my love, now and forever,

Jen xoxo

“ I had the pleasure of working with Clayton at RL Solutions as a fresh graduate. I remember his intoxicating playfulness, and his remarkable gentleness. I learned a great deal from him, and even remember him taking me for some driving practice in his Rav-4 when I was getting my license.
A true gentleman whose presence will be sorely missed, but tenaciously and fondly remembered.

My condolences and thoughts are with his family.

“ I had the pleasure of working with Clayton at RL Solutions for four years. He worked with many of our clients throughout North America including some of the top 10 US hospitals. He was always ready for an adventure whether that was travelling to the hospitals in the North West Territories, where they were known to hop on a plane to pick-up KFC, or implementing our software in Qatar. I've included a picture that was taken at the RL Solutions 2009 client conference where you can see Clayton's familiar smile. My sympathies to Clayton's family for this terrible loss.

“ I will always remember our runs, with stories that had us laughing. One of my special memories is of running the The Mississauga Marathon with Clayton. We laughed throughout his half marathon and I continued on with the Marathon. Clayton met me at 40 k. all dressed in black with a backpack on. He ran me in to finish and Qualify for Boston. On the way he was shouting to the spectators that I was going to Boston and I was going to get a Boston Jacket. I am forever grateful for his enthusiasm and him believing in me. Miss you!

“ I had the privilege of spending many hours per week for several years running with Clayton. There were runs filled with conversation and some where it was just as great running side by side without speaking a word. I remember a 30 km run we did on a Sunday morning during The Toronto International Film Festival. We spent 3 hours thinking we would spot a celebrity - no such luck. I will remember Clayton for his kind,gentle soul and his sense of humour. Our running group misses him dearly. Keitha McMurray

“ Clayton was a great running partner for all in our Marathon running group. The runs were often long and hot, but Claytons sense of humour and easy going nature made them an enjoyable Sunday run with good friends.
Today we gathered some of the group, and dedicated our 10K run to our friend. You are sorely missed.

I did not have the good fortune to meet Clay but I always felt a connection with him through the charity rides we participated in and supported each other through. He was definitely a "good" that died much too young. My heart goes out to you for the loss of your beloved husband, father and son. Sincerely, Linda M

“ *I don't even know where to begin with sharing how much Clayton impacted my life. We worked together and our desks were next to each other in cramped quarters. One couldn't move their chair without impacting the other. And because of this I had the privilege of getting to know him very well. He would provide a shoulder to lean on when I needed to help, he taught me the ins and outs of the financial world, introduced me to running, gave me sound relationship advice and most of all cared and looked out for me when I was hitting rock bottom. Clayton is a first class man with a humongous heart. He showed me that despite differences and falling outs, it is possible to build an even stronger relationship with someone if you truly value them as a friend. I could go on and on about the gift I received when Clayton entered my life. Though he is gone physically I know he will live on in the hearts of everyone he has touched, and most of all, in his family with Jenn and Chelsea.*

“ Sending out deepest sorrow for your loss Jen, Chelsea, McPherson's and Parry's.

I remember going to your beautiful wedding Jen, in your parent's backyard forest.....what a glorious day to see you and Clayton come together in love.

A recent memory that makes me smile, was being able to see you, Clayton and Chelsea last summer when I was in Ontario. Spending the afternoon with you all was a good day, full of joy!!

Clayton has left you with some of his greatest gifts.....his love for you and his sweet daughter.

Wishing you strength and comfort in the days and weeks ahead.

I worked with Clayton years ago at Accenture, his name just crossed my path. Pretty much every day we'd have a "mtg" which was code for time to enjoy a coffee & chat, & he'd give me a lift home often-was kind to give me a cigar case for my birthday long ago. He was always super kind, warm, gentle-a real sweetheart, . If any of you can use a hand, a Rev Brother to chat with please reach out: www.lightandlove.ca (& ignore the price tag, that's for muggles, & not my motivation for offering). I'm sure he would have gotten a kick out of finding out I got myself ordained. Much love to Jen and Chelsea & everyone who loved him. ~Sat Nam 🙏💜
