“ I am shocked and saddened to hear this news. I met Coleen in the early 90's when we worked together at an ad agency. We lost touch unfortunately. My favourite memory of her is when she shared her pasta sauce recipe with me. She called it “Wop Sauce”! To her family, I send you my sincerest condolences on her passing.

“ *My deepest sympathies to Coleen's family and friends. I met Coleen in grade 1 when we had mistakenly been switched into eachother's classes. We were great friends for many years after that day, in fact we called eachother Coleen #1 and Colleen #2. She was always Coleen #1 with her larger-than-life personality. I was fortunate enough to be her friend and her team mate through most of our youth, and I will forever miss her vibrant energy. Love you Jeanie ~

My sincere condolences to the Delvecchio family. It is such a shock to hear of Coleen's passing. We went to highschool together, went to parties, and she was always the life of the party. High energy, positive attitude and a smile that could light up any room. I had lost touch with Coleen over the years, but will always remember her young, fun, life loving spirit. Rest in peace Coleen..you are with Jason again;) xo
