“ *Colin - "brother" you were really like the big brother that I never had - and we always joked about it - you told me I was like your sister. SO - to sum it up - "you are my brother from another Mother" and Joanne is my "sister from another Mother" - hahaha, - not what everyone thinks - LOL - I love you both like you are my family and Craig too. Going to miss you dearly - your sense of humor and your caring for everyone around you. We will take care of Joanne and Craig so don't worry - but boy - "Brother from another Mother" - going to really miss you! We will have a drink for you every time we lift a glass of whatever it is - Don had a beer for you today! So glad to have had you as part of our life for the time that we did - 37 years! We never did make it back to Florida together - but when we were there - we had so much fun in 84! Love you forever - be Free and joke with the Angels and Ian too! Always in our hearts!*

“ *Working at Walden Circle with you was a joy. You always had a smile on your face that just made my day, and that laugh i can't forget it ever. I will miss you walking around the hallways with that infamous clipboard and calling to let me know when the fire alarm would go off. My deepest condolences goes out to your family. I will remember you always. Gone too soon. Rest in Peace Collin.*

“ Colin "Jimmy", my friend you have gone to a better place I know that. It still does not make it any easier to be here knowing you are not here. Who's going to tell me they like my boots. I'm going to miss that contagious laugh, that wonderful smile and that very very generous, kind and giving spirit of yours. I know I will see you again one day, but in the meantime my friend I will go on until then.

Joanne and Craig, my heartfelt sympathies and love to you both for having to go through such pain, I feel that pain for you and with you. I am here if you need me.

*God Bless
