“ Colin. We all will remember and speak of you fondly and often. We will try to do it with the energy and creativeness as you would, sharing the many great stories you shared with us. Personally, having known you my entire life uncle, going through many memories like they were yesterday, your presence will be sorely missed. Trusting that you are at peace now, I send my heart felt condolences to Norma, Natalie, Marc, Krissy and Carter. Ronné's and Field's in my lifetime have always put family first, if there is anything you may need of me at this time or in the future, please let me know. Goodbye for now.
