

Collins Anthony

November 11, 2019

On Monday November 11th, 2019, Collins Anthony passed away peacefully at the age of 75 years. He was beloved by many people. A sociable and good-natured man, he made strong connections and lasting memories with family, friends and community alike.

In his professional life, Collins was respected among his aviation colleagues, notably at LIAT and Eastern Caribbean Civil Aviation Authority. His dedication to excellence, discipline and thoroughness in his work was unparalleled.

He was deeply involved in the Catholic Church, singing in choir and raising his beautiful tenor voice in joyous exaltation and worship. His presence and example of faith will be greatly missed.

Collins was also a pillar of various community and fraternal organizations, spending many charitable hours working with the Lions Club and communing with his brethren at Lodge.

Collins will be remembered fondly by his immediate loved ones, extended family, dear friends and many associates near and far. We mourn his loss and celebrate his life. May his soul rest in peace.

“ *Collins and I sat on the Pastoral Council in Antigua at the Holy Family Cathedral for four years. We spent many an hour laughing, commiserating over frustrations and generally enjoying our experience with Father Howard. I am deeply saddened by his passing. He was a wonderful mentor and he will be missed. My condolences, are sincere. Words do not, however, seem adequate to convey what is felt within our community as a result of his passing. Know that we are comforted with the knowledge of his deep faith assuring his soul now lives forever in the presence of God. Sympathy to his family for the loss of his presence in life. Remember always, within your heart, that the memories created and the comfort they provide, will help you through this time of grief. Bless you all.*

“ Today’s memory of dad was the conversation we had when I told him I was going into aviation maintenance. He inform me that I was entering this field with my integrity and word intact. He then said, “Make sure you leave with it!” Simple advice but one I remind myself of anytime a crucial decision has to be made. There is no compromise when it comes to the airworthiness of an aircraft, it’s either airworthy or it’s not. Thanks dad!!

“ Sincere condolences to the entire family. May your fond memories of Collins continue to strengthen you. Collins and I, as well as my brother Martin, who was also born on 25 th January (but 10 years after Collins) were raised together as brothers and sister at L’Anse Road, Castries, Saint Lucia. Collin’s grand dad, deceased Richardson Calderon was my mom’s god father and he and his wife deceased Theresa Calderon were our foster parents following our mother’s death whilst we were babies. (I was 4 months old.) Collins’s mom, deceased Anne Anthony, was our dearest Sister Jane. Collins was a role model to my brother Martiin who followed Collins’ foot steps and also attended the St Mary’s College. Collins had a very quiet demeanor but was deep and will be surely missed. May his soul Rest In Peace. Sincerely Nancy
