“ Nancy, a very sad notice in Star today. Lots of good memories, fortunately.

Almost 9 years since we saw you both.

I am trying to connect with other Downwinds/Strawberry Fair members across Canada.

I'm still in Toronto book, so please send details and connect address/number

Love,

Brad

Dear Nancy,

I just heard from Roger Ellis today about dear Craig. As Brad says, lots of good memories. He was our amazing talent. I'm so glad we had our little reunion 9 years ago. It made me realize what a truly special time that was that we all shared together. I've been playing Youtube videos of Craig all morning. And suddenly everyone is trying to contact one another. What a life!

I hope all goes well for you, and your family, Nancy.

Love always,

Hello! I did not know Mr. Craig Ruhnke personally. I knew him through his wonderful music. His music gives me hope about our world. Rest In Peace and God Bless You.. Brian D. Bailey
