

## Ms. Cyrelle May Gold

November 26, 2013

Passed away unexpectedly at her home in Etobicoke on November 26, 2013 . Predeceased by her parents Phil and Evelyn Gold, she is survived by her brother Harold and her two nieces Renee and Lori. Cyrelle was born in Toronto on April 25, 1950. She attended Forest Hill Collegiate, was part of the counterculture scene at Rochdale during the early 1970s, and worked at Free Times Cafe on College St for many years. Then, wanting a career change, she became a health records technician. Her most recent endeavour was a successful cat sitting business. Cyrelle was so much more than her work history though. She loved cats and always had at least one cat of her own. She loved popular music and reading, particularly biographies; she loved going for walks and biking along the shore of Lake Ontario and when younger, loved canoeing up north. She took pride in her house and she kept up, by email and phone, with the many friends she had made throughout her busy life. Unfortunately the last few years were marred by poor health, but she always soldiered on. There will be a celebration of her life at Free Times Cafe on December 4, 2013 from 6 pm – 9 pm. Come for dinner and music and bring your stories.

“ *Very sorry to hear about Cyrelle. We were clients of hers for the last few years and it was only when I tried to get in touch with her regarding our upcoming trip, that I got the sad news. She was a wonderful person and her interaction with our two cats, Huxley and Hattie, was something to behold. Even with Hattie who is a feral rescue cat and was always shy and withdrawn. With Cyrelle she was fine. We came to depend on Cyrelle, knowing that we had nothing to fear while she was in charge. Our deepest condolences to all. Brooke Johnso & Adrian Truss*
