

Mr. Cyril Walker "Steve" Stevens

January 14, 2016

Passed away peacefully at Sunnybrook Health Sciences Centre in his 100th year. Predeceased by his loving wife Anne of 55 years. Steve loved to sing "ditties" with Anne on her piano. They met in Switzerland ,married in England, emigrated to Brazil (1951)and finally to Canada in 1967.

Steve became General Manager of the Toronto Lawn Tennis Club till about 1991 after which he moved to Tennis Canada until very recently. (see website tribute at <http://www.tenniscanada.com/> under news) Steve treasured his involvement with tennis, his many friends, and his Agatha Christie novels plus Wheel of Fortune and Jeopardy. Another favourite pastime was writing daily in his diary, with love notes to his beloved Anne, especially after she died in 2007. We put up with his sometimes cantankerous and stubborn nature because we always enjoyed his loving warmth and wit. Special thanks to Gayle and staff at The Millwood Retirement Home where he was just settling in after a month, before being taken to hospital. Also Lianne , his caregiver of 10 years, who looked after his every needs 3 days a week; his chiropractor Johnny, who helped him live to this ripe old age; Irwin, Hatem and all his friends at Tennis Canada; Dr. Selby and all her staff in the Palliative Care unit at Sunnybrook. All outstanding people who certainly helped him live a full and fulfilling life. His ashes are to be comingled with his beloved Anne after cremation. May they rest in peace and their memories be eternal.

“ Farewell to a fine gentleman, orator, wit and an advocate for senior women's tennis.

It was our privilege to have known him.
