“ I went too high school with Dale in Scarborough and our friendship continued for years. I relocated and lost touch with her. I was hoping to reconnect with her but found this website. I am deeply saddened and heartbroken. Dale was a very cherished friend, a very caring and thoughtful person. RIP from "LOLO"

“ I lost touch with Dale after my wedding about 15 years ago. She was a good friend to me when I first moved to Toronto in the early 90s and didn't know anybody. I was looking to reconnect but sadly found this page. Thanks Dale for your kindness. RIP
