

## Daniel Berk Albertson

June 19, 2023

- "It is with the deepest sadness that we share the passing of Daniel Berk Albertson on June 19th. Daniel left us suddenly due to a heart attack; he was in his home listening to his music a lifelong love and passed peacefully.
- Daniel will be forever missed and remembered by his mother, Jean Dorothy Lucas, his sisters, Karen and Jennifer Albertson, brother-in-law Rob Frigon, his nieces, Amy and Kylie, his nephew Cooper and spouse Isuri, and his Great nephew Kai. Daniel was predeceased by his father, Berkeley Harold Albertson.
- Daniel was born on March 26th 1962, and left us at age 61, he was kind, gentle and quiet. He enjoyed music, and watching his Leafs, Jays and Marlies. Daniel felt deeply and shared sparingly but his love was always felt.
- Daniel was diligent and conscious and spent his career as a TTC driver who earned many safety and service awards. Daniel lived his whole life in Scarborough and neighbours recall his kindnesses to them.
- Daniel had the most beautiful blue eyes and we are so sad that we will not see them sparkle again. Please know that you were so loved.
- To honour Daniel if you so wish, please donate to the Jumpstart program (link below) which supports disadvantaged youth to allow them the opportunity to participate in the sports Daniel loved.

- A Celebration of Life for Daniel is being planned and we will share the date for those who wish to attend.
