“ It was with great shock and sorrow that I learned of my former neighbours passing. Unfortunately too late to attend the Monday funeral to show my respects. I will cherish my memories of DIY Dan working in his way too small garage/workshop on Aldergrove Avenue. My deepest condolences go to the whole family but must single out my friends Donna, Alex and Jamie.

It was always a pleasure to meet Dan at THSC. Always polite, always sincere. Suzanne and I were fortunate to have known Dan during his family period with Donna and their lovely girls, and to have met Jane, however briefly.

“ *So sorry to hear about Dan's sudden passing. He was a dear cousin. I have many good memories of family gatherings when we were young. Dan also had his locker right next to mine throughout high school. He often shared with me his love and passion for sailing and sent me photos of his beautiful growing family. Dan was so proud of his girls. Despite the distance between us, we managed to keep track of each other's lives and shared some family photos, mostly of course those of our beautiful daughters. Thank you Dan for sharing your life moments with me. You will be dearly missed by the ones who loved you. I will miss you. My deepest sympathies to the family. My thoughts and prayers are with you during this difficult time. May you find strength and peace in the memories dearest to you. I chose the blue candle to represent "water". That is where Dan was at peace, on his sailboat.*
