“ Hi My name is Sara Collier, I went to school with Daniel we were in the same class and had the best teacher Mr. Allen at Secord Elementary! I remember playing in the school yard and Daniel would be right there, I remember a field trip to Toronto zoo with him and he had fun even though he couldn't walk for too long but Daniel made the best of his life! He was sometimes cranky but he also stood up for himself when needed, which was the best he cracked me up all the time LOL I will always remember Daniel as my friend and all the childhood memories we had together! I was sad to find out about his passing considering the last time I saw Daniel was back in 2012 at Target with his mom, who I hope to get in contact with again after so many years so Mrs. Duffy if you're reading this feel free to contact me on Facebook I would love to tell you how sorry I am! To Daniel, I am so sorry for you're passing I will always remember you and miss you!!! Rest In Peace Daniel Duffy.

“ *When I think of Daniel one word comes to my mind and that is courage. Daniel had lots of courage and he took each day and made the the most of it. Daniel taught me, no matter what challenge you face in life, you can overcome (especially if you have feet to eat and are sitting in "shotgun".)*

Sending all of you Hugh hugs and love.
